What we believe...

We believe that God has a plan for every child.
We believe life change can happen in all ages of children.

We believe that God wants to work in and through children to impact our world today.

We believe prayer is foundational to the success of our vision and values.

We believe small groups are vital in supplementing the family in the spiritual development of children.

We believe ministry is most effective when done as a team.

We believe that **PROMISELAND** is about ministry, not just childcare.

WELCOME TO **PROMISELAND**

PROMISELAND is a place where the promises of God are brought to life in the hearts and minds of children. Our desire is to provide an environment for children that is safe, fun and interactive so they can embrace God's promises for them.

We believe our role is to partner with the family to ensure children are nurtured in the faith so that they grow to become life-long disciples of Jesus Christ.

We look forward to seeing your children join us in **PROMISELAND!**

Two things we keep in mind...

Every child is made in the image of God.

100 years from now the only thing that will matter in a child's life is their relationship with Jesus Christ.

Join the team and serve children with us!

We are a gift based, volunteer run ministry. If you love children and desire to use your gifts and abilities in children's ministries please give us a call. Every gift and ability has a home in **PROMISELAND!**
