

VISION

“The faculty or state of being able to see!”
Synonyms: eyesight; observation; perception

- A vision is a picture of a preferred future
- A vision without action is merely a dream

Scriptures: Proverbs 29:18; Habakkuk 2:2; 2 Corinthians 4:18, 5:7

Around your tables take a moment and share when you made Jesus Lord of your life (redemption). Your story.

God’s Vision is:

How has God’s redemptive story shaped your life in 2017?

How could you use your story to influence a non-believer?

When you hear the word “outpost” what comes to mind?

How can you use the idea of an “outpost” in your life group and in your personal life to “bring God’s redemptive story to your community?”

How are you involved in loving, serving & offering hope:

1) on daily personal mission?

2) on mission within the opportunities that RVCC presents?
